# THE ARTISTIC HOME

From the avant-garde to the eclectic – your home is a work of art. Let your personality shine through with Greenlam’s collection of laminates, presented as framed moodboards.

## CHEERS TO THAT

Mix it up with colours, patterns and textures that evoke a sense of elegance and sophistication. Pair matt shades of metal with electric bolts of blue, then temper the look with the raw beauty of concrete surfaces.

**GREEN FINGERS**

Keep it light and fresh to bring the look back down to earth. Zesty pastels are the perfect contrast against jet-black surfaces with just a hint of subtle patterns. Set against a backdrop of woodgrains for an *au naturel* vibe.
